

# ORGAN EXAMINATION

RES. ASSIST. DR. O. BURÇİN DEMİRTAS

The background of the image is a collage of Leonardo da Vinci's anatomical sketches. It includes a detailed drawing of a horse's head and neck, a large flower, a dome-shaped building, a mechanical gear system, and a circular diagram with internal lines. The sketches are rendered in brown ink on aged paper.

**WHICH ORGANS ARE  
TAKEN OUT  
TOGETHER?**

*Organs that are related  
anatomically and functionally  
are taken out together  
(Virchow)*
