

Programlama paradigmaları ve  
bilişimsel biyolojik yazılım geliştirme

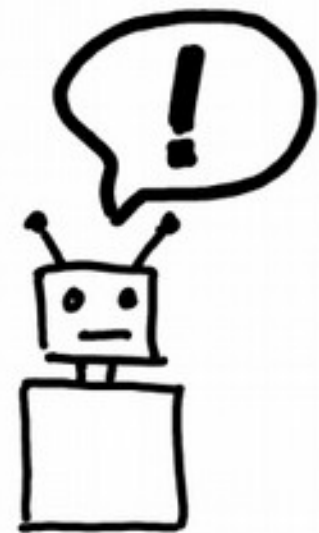

A word cloud of programming languages. The word 'Java' is the largest and most prominent, centered in a dark green color. Other large words include 'JavaScript', 'Python', 'Haskell', 'C++', 'PHP', 'Pascal', 'Ruby', and 'Objective-C'. The words are arranged in a roughly rectangular shape, with 'Objective-C' on the right side and 'COBOL' on the left. The colors of the words vary, including shades of green, brown, and black. The background is white.
