

# Regiones Membri Thoracici

---

- Fossa axillaris – Lnn.axillaris**
  - Olecranon**
  - Carpus**
  - Pastern**
-

# Regiones Membri Thoracici

---

## Synsarcosis

**m.serratus ventralis,**

**m.trapezius,**

**m.rhomboideus,**

**m.latissimus dorsi,**

**m.brachiocephalicus,**

**m.pectoralis**

**m.subclavius**

# Regiones Membri Thoracici

---

- Innervation of forelimb: From brachial plexus**
- N.radialis et axillaris (extensor muscles)**
- N.musculocutaneus, N.ulnaris et n.medianus (flexor muscles)**

# Regiones Membri Thoracici

---

- Vascularization of forelimb:**
  - A.axillaris**
  - A.brachialis**
  - A.mediana**
-

## Regiones Membri Thoracici

---

- Injections on forelimb:
- IV : v.cephalica (car.)
- IM : m.triceps (except car.)

# Regiones Membri Thoracici

---

- Injections for nerve blocks
- Equine Lameness
